

E.T.T.A Project Competition Entry Rules 2020

1. It is the responsibility of the Area to ensure their qualifying finalists project work is submitted at the agreed Executive Meeting. There are **NO** exceptions for late entries.
2. If the Area Rep is not able to attend the meeting, then another member from the area committee must present the projects on the day.
3. If the project work, as assembled and presented at that Executive Meeting, does not conform exactly with the size restrictions outlined in the design brief, it will not be considered for the National Finals and will be returned immediately to the Area. (Marking Criteria for ETTA Project Competition Awards are separate to SEC Marking schemes).
4. Any project that is involved in an appeals process cannot be considered for entry into the competition.
5. All project work must be submitted in a sealed rigid container (No cardboard boxes - wooden or strong plastic boxes only, appropriately sealed) A digital photo of project securely attached on outside of box Two complete and accurate entry forms, one inside and one securely attached to outside of box.
6. Any teacher submitting a project to the National Competitions must be a **PAID UP MEMBER** of the ETTA for the membership year 2019-2020.
7. The Conference Organising Committee will not accept responsibility for any project work that is not suitably packaged for safe transit. Any project work not presented as per item 5 above will not be considered for the National Finals and will be returned immediately to the Area.
8. The Competition Rules outlined above are essential to preserve the integrity of what is a very prestigious National Engineering Technology Awards Ceremony.

We sincerely thank each Area for their diligent work in making the Awards Ceremony such a success every year. From experience of hosting the Awards Ceremony for many years, the ETTA have devised the system outlined above to ensure that each participating student and their submitted work are treated with the upmost fairness and integrity.

Yours sincerely,

Barry Convey
National Chairperson
Engineering and Technology Teachers Association

**NATIONAL
CHAIRPERSON:**

Mr. Barry Convey,
Summerhill College,
College Road,
Knocknaganny, Co.
Sligo.
